The information provided in this map is intended to be general information only. The plan is provided on the sole basis that Auckland Transport accepts no responsibility and liability with relation to any claim whatsoever for its content or any error or omission in it, and excludes all responsibility and liability with relation to any claim whatsoever (including without limitation for contributory negligence by Auckland Transport) arising from the use of this plan. Actual locations of any pipes or services shown on this plan should be physically verified onsite prior to design or construction. Any damage to any of the pipes or services specified in this plan is the sole responsibility of the person damaging the pipes or services, whether or not Auckland transports plans are accurate, and Auckland Transport will seek to recover the cost of repairing any such damage to pipes or services from any such person.
